3. How HairMiles Works

1. HairMiles is a way in which we reward and thank our loyal customers for purchasing our services. You are able to earn points and reach HairMiles rewards by making eligible purchases. For your purchase to qualify for HairMiles, you must be enrolled in HairMiles. Once you earn points and reach a certain loyalty tier, you may be eligible for rewards applicable to that tier, which benefits may change from time to time and may be offered on a limited basis. Eligible services and other opportunities to earn points and reach HairMiles loyalty tiers will be posted on the Site or may be published through other media (e.g., in marketing communications, social media, etc.).
2. HairMiles is a tier-based HairMiles determined by the number of points a member has earned over a rolling 12-month period, beginning on the date when you enroll. There are one threshold: 400 points. Once you have accrued 400 points, you will be notified that you can receive a single blowdry for FREE.
3. Your status resets to zero points after this notification. After that, you'll need to earn enough new points to qualify for a particular tier.
4. Purchases may be made in any Blow Dry Express salon and redeemed in any Blow Dry Express salon.
5. HairMiles members receive 1 point for every £1 spent on qualifying purchases. Qualifying purchases include regular priced services. Services purchased under bulk acquisitions, and groups are 'non-qualified' purchases
